**GRINDELWALD-FIRST – Top of Adventure**

Take a seat in the cable car and let it take you up the local mountain of the famous mountain village of Grindelwald.

**JUNGFRAUJOCH – Top of Europe**

Standing on the Jungfraujoch 3,454 m above sea level, you can feel it with your first step: this is a different world. It's one you have to experience.

**GRINDELWALD TERMINAL**

The most modern Terminal in the alps. The tricable gondola Eiger Express to the Eiger Glacier and the 10-person aerial gondola to Männlichen start here.

**SCHYNIGE PLATTE – Top of Swiss Tradition**

The nostalgic cogwheel railway was inaugurated in 1893 and takes vistiors through a gorgeous mountain landscape with a unique view of the Eiger, Mönch and Jungfrau.

**HARDER KULM – Top of Interlaken**

A breathtaking view awaits on Interlaken's local mountain – a must – see for all visitors of the Jungfrau Region.
