THE WORLD'S BEST SUMMER GUEST PROGRAMME

Find your “aloha” spirit on Lake Davos

Are you ready to hang loose like they do on Hawaii? Don't worry, you don't need to travel to the other side of the world. Early in the morning, no wind, no waves. The lake is as smooth as a millpond – and you're out there right in the middle of it. Effortlessly drag the paddle through the water and glide along standing on a surfboard. Mystical. It's like a kind of meditative workout. No wonder that a bay on Lake Davos is also known as Hawaii Bay.

Stand-up paddling is just one of around 70 different activities you can try as part of the “Davos Klosters Active” Summer Guest Programme. The programme runs from May to mid-October. Guests with a Premium Card benefit from a whole host of free and discounted experiences, each of which can be booked in person at Guest Services in the resort up to two weeks in advance.

OVERVIEW OF DAVOS KLOSTERS
