

## GENEVA WINTER NEWS 2020

### **THE WOODROW 5\*<sup>s</sup> – OPENING SOON**

A timelessly elegant location designed by the world-famous architect Pierre-Yves Rochon. Hotel guests experience a space created to evoke the sensation of complete and utter bliss.

Each deliberately designed suite offers a private sanctuary with exquisite furnishings and magnificent panoramic views of the lake and the mountains.

### **CITIZENM GENEVA HOTEL 4\* – NEW OPENING**

Heaven is a high-pressure shower after a thousand-mile flight. It's a humongous bed with the fluffiest pillows. It's late check-out when you need extra zzz. It's a citizenM room – made with everything you need and nothing you don't.
