

Davos Klosters offer 300 experiences - all winter long

The Davos Klosters winter programme offers daily experiences accompanied by guides. Get up before all the other guests and enjoy a peaceful downhill run at sunrise on a freshly prepared piste, go on a behind-the-scenes tour of the legendary Davos Congress Centre, explore the unspoilt landscapes around Davos on snow shoes or build your own igloo. You have the choice.

The winter guest programme consists of over 40 winter experiences in the categories "Sports & Adventure", "Kids & Family", "Art & Culture" and "Sightseeing & Excursions", each of which will be offered weekly from mid-December 2023 until the beginning of April 2024.

Bookable two weeks in advance

The daily experiences are available to guests with a valid Davos Klosters Card for a registration fee of CHF 5 or CHF 10. The individual experiences can be booked or at the guest advisory service two weeks before the event. A maximum of 5 tickets can be purchased per person and activity. Speaking of booking: The guest programme is aimed at individual guests. Groups can book the majority of the activities offered with the respective provider for a fee.

E-Fatbike fun

In summer, Davos Klosters is considered the singletrack paradise of the Alps. If you can't go without biking all through the winter, you might like to try a different kind of biking fun. Different surface, different temperatures, different wheels. Our expert from the Bike Academy Davos will familiarise you with the new contraption and give you useful tips for a safe riding experience. Come snow or shine, you'll be sure to have fun!

Snow shoe adventure

Would you like to enjoy the beautiful mountain landscape in a more sedate manner? Then discard your ski boots and sign up for a snow shoe tour. Float almost weightlessly across the snow as you explore the white wintry landscape. Come snow or shine: snow shoe trekking is always a very special experience. Enjoy the snow-clad countryside far away from the hustle and bustle of the crowds.

A Winter hike at night with a view of Klosters or Davos

It surely is everybody's dream to go on a winter hike at night through a snow-covered landscape holding a burning torch. Our guide will lead you through the snowy landscape, torch in hand. Enjoy the romantic views onto Klosters and warm up with a hot mug of mulled wine.

Igloo building for families

Igloo building for families is unique snow fun for young and old. Experienced guides explain and show tips and tricks for building an igloo. With a little perseverance, skill and imagination, you can build your own "house in the snow" in the unique winter landscape of Davos Klosters.

Apres-Ski and Party at its best

Davos has one of the best night life with many Apres-ski bars on the mountains or in the city. With 50 bars and 5 night clubs the night will never end. Davos is also famous for its concerts, ice hockey games as well as other night activities like night skiing, sledding etc.
