

St. Moritz

St. Moritz – where glamour, lifestyle, sports and untamed nature come together in an exclusive cocktail. International events and culinary delights are the norm here, and the town has an unrivalled concentration of top-class restaurants. St. Moritz also sets the standard for accommodation, with no fewer than six luxury hotels. As the cradle of winter tourism, St. Moritz has demonstrated its pioneering spirit throughout the ages.

The alpine town is a stage for artists and trendsetters and home to a higher than average number of international galleries. St. Moritz boasts Europe's highest luxury shopping street – a paradise for shoppers and in a class all of its own. And there is no shortage of culture to enjoy as St. Moritz has numerous museums, libraries and places of interest to visit. The cosmopolitan alpine village can be reached by road, rail or air.
