THE NO.1 HOLIDAY DESTINATION IN SWITZERLAND

Presentation for the Asian market

Introduction

Presentation for the Asian region

Welcome to Graubunden

Even with Switzerland's competitive repertoire of awe-inspiring scenery, delicious cheese and chocolate, worldclass health spas, and leading boarding schools, the canton (state) of Graubunden still stands out.

Perfect for families seeking spectacular outdoor adventure, each region of the canton is only a hop, skip and a jump away.

Taking the title for the easternmost and largest canton of Switzerland - bordering Austria, Italy, and Liechtenstein- when asked what makes this place so special, locals wax lyrical about its wild, natural beauty coupled with the finer things in life.
