DAVOS

1,560 M A.S.L.

Sporting paradise, spa town, congress town, cultural centre and après-ski meet amidst a beautiful mountain landscape.

Davos is the ideal starting base for exploring the unspoiled nature in the Flüela, Dischma and Sertig valleys or the Walser villages of Monstein and Wiesen. The Schatzalp lies high up on a sun-kissed terrace directly above Davos at a height of 1,861 m.a.s.l., also known as the «Magic Mountain». The mountain was made world famous by the German writer and Nobel Prize winner Thomas Mann's novel «The Magic Mountain» (1924).

KLOSTERS

1,200 M A.S.L.

Klosters is synonymous with its chalet-style village character. Its charm was discovered by American film stars and the British Royals.

The unique Schlappin, Monbiel and Vereina valleys and the high-alpine region around the Silvretta glacier are all within easy reach from Klosters (and the neighbouring villages of Serneus, Saas, Küblis). Klosters has been one of the most family-friendly holiday villages in Switzerland for many years. The Madrisa Land «World of Legends and Fantasy», situated high up on the mountain overlooking Klosters, offers guaranteed family fun in summer as well as in winter.

BEST OF THE ALPS

Davos Klosters is one of the founding members of «Best of the Alps», an amalgamation of eleven traditional Alpine holiday resorts.

Best of the Alps represents a bond with local culture and the harmonious mix of original tradition and progress. The eleven resorts are some of the real pioneers in skiing and mountain holidays and guarantee the very best quality of vacation in one of the world's most magical landscapes – the Alps. Joint marketing campaigns are a core element of the resorts' cooperation.

HAPPINESS IN
POWDER SNOW

FREERIDING / TOURING

Cable car up, freeride down through pristine powder snow slopes and then take the bus or train back to the valley station – that's the benefit of Davos Klosters for fans of powder snow skiing. The expansive freeriding and ski-touring regions can also be discovered without mechanical assistance in the side valleys – paying attention to nature protection and conservation areas. We would recommend booking the service of a mountain guide.

Everyone is surely aware of the “Davos sledge”. As its name suggests, the famous wooden sledge was invented in the cradle of international tobogganing – Davos. The first official race was held here back in 1883. Today, eight toboggan runs in Davos and Klosters offer hugely diverse tobogganing fun of variety day and night.

davos.ch/tobogganing

ICE SPORT

Davos Klosters has a long tradition in ice sports – the first Davos ice rink opened back in 1869. Today, the region is the centre of Switzerland’s ice sport scene. This is ensured by one of the most beautiful ice hockey stadiums in Europe and other artificial ice rinks that can be used for ice skating, ice hockey, speed skating, curling and Bavarian ‘ice stock’ curling.

At the sports centre in Davos, you will find the mobile ice adventure landscape “Davos World of Ice” with countless attractions. In addition to a 300-metre-long, oval ice rink for skating and ice stock curling, the “Davos World of Ice” features a large central rink, where young and old can engage in the fascinating sport of ice hockey.

Tips:

- Sports centre / Davos: put your ice skates on and live your skating dream
- Seehofseeli / Davos: the beautifully situated ice rink is also open every evening
- Artificial ice rink / Klosters: practise skill and precision during a curling game.

RAIL EXPERIENCES

The Rhaetian Railway has always been synonymous with first-class railway experiences. Both the Wiesen and Landwasser Viaducts lie not far from Davos. The Wiesen Viaduct (opened in 1909) inspired the famous painter Ernst Ludwig Kirchner in his painting „Bridge near Wiesen“ in 1926. The Landwasser Viaduct is no less imposing: 142 metres long, 65 metres high and supported on five masonry pillars. A visit to the artificial building is always worthwhile. The „Viaduktplatz“ near Filisur is the perfect place to do so. In summer it is easily accessible from Filisur railway station by choo-choo-train.

Experience vintage and adventure at the same time on the slightly different train journey with the crocodile locomotive. The journey leads from Davos through the wild and romantic train gorge, over the famous Wiesner Viaduct to Filisur.

Traditional life and the building style of Walser people is brought to life in the Nutli Hüschi Museum in Klosters.

GRAND TOUR OF SWITZERLAND

The 1,600 kilometre long Grand Tour of Switzerland combines the highlights of Switzerland on one of the most picturesque routes. This voyage of discovery takes you through four different

language regions, over four Alpine passes, through eleven UNESCO World Heritage sites and two biospheres, and along twenty-two lakes. The «Küblis – Flüela Hospice» section passes through the destination Davos Klosters.

Flüela Pass: One of the best roads in the world

On the Grand Tour of Switzerland, the route becomes the destination. The section over the Flüela Pass, unique in Switzerland, was named one of the best roads in the world by the car rental company AVIS.

ALPINE CIRCLE GRAUBÜNDEN

Iceland has the Golden Circle, South Africa the Garden Route and Grisons now the Alpine Circle. This round trip through the mountains of Grisons connects the most striking sights of Switzerland's largest canton.

In contrast to classic road trips, the Alpine Circle relies on the most diverse forms of transport – the e-car, the e-bike and the train. No matter which means of transport you choose: The Alpine Circle through Grisons is a unique experience both on wheels and on rails.

FOR GOURMETS

CULINARY

Davos Klosters is home to award-winning restaurants that celebrate the breadth of cooking craftsmanship as well as small, but fine restaurants that produce typical Grisons specialities. Over 140 restaurants (three of which have 15 or more Gault-Millau points), from centrally located gourmet restaurants to cosy inns in the tributary valleys, are guaranteed to deliver unforgettable culinary highlights.

APRÈS-SKI/ NIGHTLIFE

Davos Klosters is known as the party resort of the Alps. The Jatzhütte and the Bolgen Plaza, as well as Gaudy's Gaströchni, are the main après-ski hotspots and are located directly on the slopes. The legendary Ex-Bar and the two nightclubs, Pöstli Club in Davos and Casa Antica in Klosters, are ideal for night-owls.

ANYTHING BUT BORING

MOUNTAIN LODGES / SAC HUTS

Mountain lodges and SAC huts located amidst the unique mountain landscape around Davos Klosters provide simple and comfortable accommodation for Alpine hikers, climbers, mountaineers, families and lovers of nature. A visit to one of these huts provides an unforgettable experience of the mountains and offers the possibility of experiencing nature, the environment and culture up close.

- SAC Silvretta Hut: ideal starting point for tours around the Silvretta glacier
- Vereina mountain lodge: magnificently located mountain lodge in the Vereina Valley
- SAC Kesch Hut: unique overnight accommodation for longer hiking tours around Davos
- Madrisa tree huts and star suite: spend the night in the middle of the forest or under a starry sky

SHOPPING

Davos, the «Alpine metropolis», comes into its own when it comes to shopping: boutiques, internationally well-known brands, watches & jewellery, leatherware, local crafts and countless sports shops guarantee a first-class shopping experience. In contrast to this, Klosters is home to small, refined shops with a sense of style, class and authenticity.

**A NEW EXPERIENCE
EVERY DAY**

SUMMER-ACTIVITIES

Our summer guest programme offers a wide range of leisure opportunities in sport, culture or excursions for the young and not-so-young. The 60 activities take place several times between May and October (a total of over 700 experiences between Monday and Friday). And the best thing: there is no minimum number of participants. In this brochure you will find information about the individual activities as well as detailed weekly overviews, so that you can get a comprehensive overview of the summer guest programme offers during your vacation stay. Get inspired by our great activities!

DID YOU KNOW?

Eligibility

The summer guest programme is available to all guests with a valid guest card (Davos Klosters Premium Card or Davos Klosters Private Card). To be eligible, the guest card must be valid at the time of the booked activity.

Conditions of participation

The conditions of participation (e.g. valid lift pass, required clothing/equipment, minimum age, height etc.) are described in the programme booklet and at davos.ch/guest-programmes or klosters.ch/guest-programmes. By registering, the participant acknowledges that he/she has read and understood the conditions of participation and unreservedly confirms that he/she has fulfilled them.

Registration

Guests can register for activities no earlier than 14 days before the actual activity is due to take place either online at davos.ch/guest-programmes, klosters.ch/guest-programmes or in person at one of the two Visitor Information Offices in Davos (Talstrasse 41) or Klosters (Alte Bahnhofstrasse 6). Reservations by phone and e-mail are not possible. Please note the registration deadline for the individual activities as outlined in the programme booklet.

Participation restrictions

Each person may book a maximum of five different activities and a maximum of five tickets per activity. For families: A maximum of five different activities per family and a maximum of one ticket per family member and activity. A participant may take part in each activity at most once during the summer season. In the event of a violation of the participation restrictions, DDO is entitled to immediately exclude the person from all summer guest programme activities for an indefinite period.

Registration fee

A charge per person and activity is made for all activities. Please note: these are prices per

participant and there is no discounted rate for children or senior citizens. The charges are listed in the programme booklet and at davos.ch/guest-programmes or klosters.ch/guest-programmes.

Meeting points

Refer to the programme booklet for the exact meeting place for the activities. Please arrive on time and ready to go at the respective meeting point. Should you be delayed, the guide and the service provider will be unable to wait for registered participants.

Identification of participants

The Premium Card/Private Card (guest card) and the registration confirmation (voucher) for the activity must be shown to the guide at the start of the activity (physically or digitally) (for each individual registered/participating person).

Cancellation/No-shows

Please bear in mind that your registration is binding. If you are prevented from attending, cancellation is mandatory no later than the closing date for registration for the activity (by phone on +41 (0)81 415 21 21 or by e-mail to info@davos.ch or info@klosters.ch). This offers other guests the opportunity to register for the activity. The registration fee paid at the time of registration will not be reimbursed for timely cancellation, late cancellation or in the event of a “no-show”. DDO will spend all income received from the summer guest programme for the aforementioned reasons (timely/late cancellation, no-shows) on climate protection projects.

Conditions of participation

TERMS AND CONDITIONS

General

The conditions of participation apply to all services provided by Davos Destinations-Organisation (cooperative), as the organiser, as part of the summer guest programme (former «Davos Klosters Active»). Administration and coordination of the summer guest programme is provided by the Davos Destinations-Organisation, hereinafter referred to as DDO, on behalf of the service providers who organise and carry out the activities offered.

Eligibility

The summer guest programme is available to all guests with a valid guest card (Davos Klosters Premium Card or Davos Klosters Private Card). To be eligible, the guest card must be valid at the time of the booked activity.

Conditions of participation

The conditions of participation (e.g. valid lift pass, required clothing/equipment, minimum age, height etc.) are described in the programme booklet and at davos.ch/guest-programmes or klosters.ch/guest-programmes. By registering, the participant acknowledges that he/she has read and understood the conditions of participation and unreservedly confirms that he/she has fulfilled them.

Registration

Guests can register for activities no earlier than 14 days before the actual activity is due to take place either online at davos.ch/guest-programmes, klosters.ch/guest-programmes or in person at one of the two Visitor Information Offices in Davos (Talstrasse 41) or Klosters (Alte Bahnhofstrasse 6). Reservations by phone and e-mail are not possible. Please note the registration deadline for the individual activities as outlined in the programme booklet.

Participation restrictions

Each person may book a maximum of five different activities and a maximum of five tickets per activity. For families: A maximum of five different activities per family and a maximum of one ticket per family member and activity. A participant may take part in each activity at most once during the summer season. In the event of a violation of the participation restrictions, DDO is entitled to immediately exclude the person from all summer guest programme activities for an indefinite period.

Registration fee

A charge per person and activity is made for all activities. Please note: these are prices per participant and there is no discounted rate for children or senior citizens. The charges are listed in the programme booklet

and at davos.ch/guest-programmes or klosters.ch/guest-programmes.

Group bookings

The summer guest programme is an offer aimed at individual guests with a valid guard card and is not intended for groups. Please contact the respective organiser directly to book a (chargeable) experience outside of the guest programme for group bookings of 6 people or more.

Meeting points

Refer to the programme booklet for the exact meeting place for the activities. Please arrive on time and ready to go at the respective meeting point. Should you be delayed, the guide and the service provider will be unable to wait for registered participants.

Identification of participants

The Premium Card/Private Card (guest card) and the registration confirmation (voucher) for the activity must be shown to the guide at the start of the activity (physically or digitally) (for each individual registered/participating person).

Exclusion

The responsible guide and/or the service provider can exclude the person from the activity should a participant not fulfil the conditions of participation (e.g. valid lift pass, required clothing/equipment, minimum age, height etc.) It is at the discretion of the guide and/or the service provider whether to exclude a participant from the activity if the participant cannot be clearly identified at the start of the activity (see above "Identification of participant"). Participation in the activity under the influence of alcohol, drugs or other mind-altering substances, as well as the consumption of these substances before or during the activity, is strictly prohibited. In the event of an infringement, the fallible person will be immediately excluded from the said activity and will be excluded from all offers included in the summer guest programme for an indefinite period of time. If a participant does not turn up for the registered activity without having cancelled in advance, DDO will be entitled to exclude the person(s) with immediate effect from all offers by the summer guest programme for an indefinite period of time.

Please bear in mind that your registration is binding. If you are prevented from attending, cancellation is mandatory no later than the closing date for registration for the activity (by phone on +41 (0)81 415 21 21 or by e-mail to info@davos.ch or info@klosters.ch). This offers other guests the opportunity to register for the activity. The registration fee paid at the time of registration

will not be reimbursed for timely cancellation, late cancellation or in the event of a "no-show". DDO will spend all income received from the summer guest programme for the aforementioned reasons (timely/late cancellation, no-shows) on climate protection projects.

Cancellation of individual activities

If an activity is not carried out for reasons exclusively attributable to the service provider or DDO, the registration fee will be credited for possible participation in another activity of the summer guest program in the same year. If the participant cannot or does not wish to take part in a «substitute activity», the registration fee will be refunded. The same procedure applies to activities that cannot be carried out due to force majeure (bad weather, natural disaster, epidemic, etc.).

DDO and the service providers disclaim any and all liability for direct and indirect damages, which participants and/or third parties experience from or in connection with summer guest programme activities. The individual business and liability provisions of the respective service provider apply to each and every activity.

Applicable law and place of jurisdiction

Swiss law will apply to all legal relationships in connection with the activities of the summer guest programme and between the participants and the service providers and DDO, without regard to conflict of law provisions. The exclusive place of jurisdiction is Davos.

A scenic mountain valley with a river, green hills, and yellow flowers in the foreground. The landscape is lush and vibrant, with a clear blue sky and scattered white clouds. The foreground is dominated by bright yellow flowers, some in sharp focus and others blurred. A river flows through the center of the valley, surrounded by green grass and rocky banks. In the background, there are rolling green hills and distant mountain ranges under a bright blue sky. The overall atmosphere is peaceful and natural.

TEILNAHMEBEDINGUNGEN

Allgemein

Die Teilnahmebedingungen gelten für alle Leistungen, welche die Davos Destinations-Organisation (Genossenschaft) als Organisatorin im Rahmen des Winter-Gästeprogramms anbietet. Administration und Koordination des Winter-Gästeprogramms erfolgt durch die Davos Destinations-Organisation, nachfolgend DDO genannt, im Namen der Leistungsträger, welche die angebotenen Aktivitäten organisieren und durchführen.

Teilnahmeberechtigung

Das Winter-Gästeprogramm steht allen Gästen mit einer gültigen Gästekarte (Davos Klosters Premium Card oder Davos Klosters Private Card) zur Verfügung. Dabei muss die Gästekarte zum Zeitpunkt der Durchführung der gebuchten Aktivität Gültigkeit haben.

Teilnahmevoraussetzung

Die Teilnahmevoraussetzungen (z. B. gültiges Bergbahnticket, erforderliche Bekleidung/Ausrüstung, Mindestalter, Körpergrösse, etc.) sind in den Programmbeschrieben sowie auf davos.ch/gaesteprogramme oder klosters.ch/gaesteprogramme angegeben. Mit der Anmeldung erklärt der/die Teilnehmer/in, die Teilnahmevoraussetzungen zu kennen und bestätigt vorbehaltlos, diese zu erfüllen.

Anmeldung

Anmeldungen können frühestens 14 Tage vor der Durchführung der jeweiligen Aktivitäten online auf davos.ch/gaesteprogramme, klosters.ch/gaesteprogramme oder persönlich in einer der beiden Gästeberatungsstellen in Davos (Talstrasse 41) oder Klosters (Alte Bahnhofstrasse 6) vorgenommen werden. Telefonische Reservationen sowie Reservationen via E-Mail sind nicht möglich. Bitte beachten Sie die Anmeldefristen der einzelnen Aktivitäten gemäss dem Programmbeschrieb.

Teilnehmerrestriktionen

Pro Person können maximal fünf unterschiedliche Aktivitäten sowie maximal fünf Tickets pro Aktivität gebucht werden. Für Familien gilt: Pro Familie maximal fünf unterschiedliche Aktivitäten sowie maximal ein Ticket pro Familienmitglied und Aktivität. Ein/e Teilnehmer/in darf jede Aktivität höchstens einmal pro Winter-Saison besuchen. Bei Verstoss gegen die Teilnehmerrestriktionen ist DDO berechtigt, die betreffende Person von sämtlichen Angeboten des Winter-Gästeprogramms per sofort und auf unbestimmte Zeit auszuschliessen.

Anmeldegebühr

Für die Aktivitäten wird bei der Anmeldung eine Gebühr von CHF 5.00 oder CHF 10.00 pro Person und Aktivität erhoben. Zu beachten: dies sind Einheitspreise, es gibt beispielsweise keine vergünstigte Anmeldegebühr für Kinder oder Senioren. Die entsprechenden Gebühren finden Sie in den Programmbeschrieben und auf davos.ch/gaesteprogramme bzw. klosters.ch/gaesteprogramme.

Gruppenbuchungen

Das Winter-Gästeprogramm ist ein Angebot für Individualgäste mit gültiger Gästekarte und nicht für Gruppen. Für Gruppenbuchungen ab 6 Personen setzen Sie sich bitte direkt mit dem jeweiligen Veranstalter in Verbindung, um ausserhalb des Gästeprogramms ein (kostenpflichtiges) Erlebnis zu buchen.

Treffpunkte

Der genaue Treffpunkt für die Aktivitäten kann dem Programmbeschrieb entnommen werden. Bitte erscheinen Sie pünktlich und startklar beim jeweiligen Treffpunkt. Im Falle einer Verspätung kann der Guide sowie der Leistungsträger nicht auf angemeldete Teilnehmer/innen warten.

Identifikation Teilnehmer/in

Die Premium Card/Private Card (Gästekarte) sowie die Anmeldebestätigung (Voucher) für die entsprechende Aktivität müssen dem Guide zu Beginn der Aktivität (physisch oder digital) vorgewiesen werden (jeweils für jede einzelne angemeldete/teilnehmende Person).

Ausschluss

Sollte ein/e Teilnehmer/in die Teilnahmevoraussetzungen (z. B. gültiges Bergbahnticket, erforderliche Bekleidung/Ausrüstung, Mindestalter, Körpergrösse, etc.) nicht erfüllen, kann der verantwortliche Guide und/oder der Leistungsträger die Person von der Aktivität ausschliessen. Kann der/die Teilnehmer/in zu Beginn der Aktivität nicht eindeutig identifiziert werden (siehe oben «Identifikation Teilnehmer/in»), liegt es im freien Ermessen des Guides und/oder des Leistungsträgers, den/die Teilnehmer/in von der Aktivität auszuschliessen.

Die Teilnahme an der Aktivität unter Einfluss von Alkohol, Drogen oder anderen bewusstseinsverändernden Substanzen sowie der Konsum solcher Substanzen vor oder während der Aktivität ist strengstens verboten. Bei Zuwiderhandlung wird die fehlbare Person umgehend von der betreffenden Aktivität und auf unbestimmte Zeit von sämtlichen Angeboten des Winter-Gästeprogramms ausgeschlossen.

Erscheint ein/e Teilnehmer/in nicht zur angemeldeten Aktivität, ohne sich im Vorfeld abgemeldet zu haben, ist DDO berechtigt, die Person(en) per sofort und auf unbestimmte Zeit von sämtlichen Angeboten des Winter-Gästeprogramms auszuschliessen.

Abmeldung/No-Shows

Bitte beachten Sie, dass die Anmeldung verbindlich ist. Im Verhinderungsfall ist eine Abmeldung bis spätestens zum Anmeldeschluss der Aktivität zwingend erforderlich (telefonisch unter +41 (0)81 415 21 21 oder per E-Mail an info@davos.ch bzw. info@klosters.ch). Dadurch haben andere Gäste die Möglichkeit sich für die Aktivität anzumelden.

Die bei der Anmeldung geleistete Anmeldegebühr wird weder bei einer rechtzeitigen Abmeldung, verspäteten Abmeldung noch bei sogenannten «No-Shows» zurückerstattet. Alle Einnahmen, die im Rahmen des Winter-Gästeprogramms aufgrund der oben beschriebenen Ereignisse (rechtzeitige/verspätete Abmeldungen, No-Shows) erzielt werden, spendet DDO für Klimaschutzprojekte.

Absage einzelner Aktivitäten

Wird eine Aktivität ausschliesslich durch den Leistungsträger oder DDO zu vertretenden Gründen nicht durchgeführt, erfolgt eine Gutschrift der Anmeldegebühr für die mögliche Teilnahme an einer anderen Aktivität des Winter-Gästeprogramms im selben Jahr. Kann bzw. will der/die Teilnehmer/in nicht von einer «Ersatz-Aktivität» profitieren, so erhält diese/r Anmeldegebühr zurückerstattet. Dasselbe Vorgehen gilt auch für Aktivitäten, welche infolge höherer Gewalt (Unwetter, Naturkatastrophe, Epidemie, etc.) nicht durchgeführt werden können.

Barrierefreie Aktivitäten

Das Winter-Gästeprogramm bietet auch barrierefreie Aktivitäten an. Für weitere Informationen wenden Sie sich bitte an unsere Gästeberatungsstellen (telefonisch unter +41 (0)81 415 21 21 oder per E-Mail an info@davos.ch bzw. info@klosters.ch).

Bildmaterial

Die Leistungsträger und DDO behalten sich das Recht vor, Bildmaterial, welches im Rahmen von Erlebnissen des Winter-Gästeprogramms von den Guides aufgenommen wurde, für Printprodukte, Website und Bildergalerie zu verwenden. Auf dem Bildmaterial (Foto und/oder Bewegtbild) können teilnehmende Personen erkennbar sein. Mit der Anmeldung zu einer Aktivität erklären sich die Teilnehmer/innen mit der entschädigungsfreien Nutzung dieses Bildmaterials einverstanden.

Persönliche Daten

Wir legen Wert auf Datenschutz und sind bestrebt, alle bestehenden rechtlichen Anforderungen in Bezug auf Ihre Privatsphäre zu erfüllen. Für die Anmeldung werden persönliche Daten erfasst. Diese Daten werden lediglich für die Anmeldung, Abmeldung oder Angelegenheiten in Bezug auf das Winter-Gästeprogramm (z.B. Qualitätsumfrage) verwendet. Die Daten werden weder für Marketingzwecke verwendet noch an Dritte weitergegeben.

Versicherung/Haftung

Die Teilnahmen an Aktivitäten des Winter-Gästeprogramms erfolgt auf eigenes Risiko. Versicherung ist Sache der Teilnehmer/innen. DDO und die Leistungsträger lehnen jegliche Haftung ab für direkte und indirekte Schäden, welche Teilnehmern und/oder Dritten aus oder in Zusammenhang mit Aktivitäten des Winter-Gästeprogramms entstehen. Für jede Aktivität gelten zudem die individu-

ellen Geschäfts- und Haftungsbestimmungen des jeweiligen Leistungsträgers.

Anwendbares Recht und Gerichtsstand

Auf sämtliche Rechtsbeziehungen in Zusammenhang mit Aktivitäten des Winter-Gästeprogramms zwischen den Teilnehmenden und den Leistungsträgern sowie DDO ist schweizerisches Recht anwendbar, unter Ausschluss der kollisionsrechtlichen Normen. Ausschliesslicher Gerichtsstand ist Davos.

TERMS AND CONDITIONS

General

The conditions of participation apply to all services provided by Davos Destinations-Organisation (cooperative), as the organiser, as part of the winter guest programme. Administration and coordination of the winter guest programme is provided by the Davos Destinations-Organisation, hereinafter referred to as DDO, on behalf of the service providers who organise and carry out the activities offered.

Eligibility

The winter guest programme is available to all guests with a valid guest card (Davos Klosters Premium Card or Davos Klosters Private Card). To be eligible, the guest card must be valid at the time of the booked activity.

Conditions of participation

The conditions of participation (e.g. valid lift pass, required clothing/equipment, minimum age, height etc.) are described in the programme booklet and at davos.ch/guest-programmes or klosters.ch/guest-programmes. By registering, the participant acknowledges that he/she has read and understood the conditions of participation and unreservedly confirms that he/she has fulfilled them.

Registration

Guests can register for activities no earlier than 14 days before the actual activity is due to take place either online at davos.ch/guest-programmes, klosters.ch/guest-programmes or in person at one of the two Visitor Information Offices in Davos (Talstrasse 41) or Klosters (Alte Bahnhofstrasse 6). Reservations by phone and e-mail are not possible. Please note the registration deadline for the individual activities as outlined in the programme booklet.

Participation restrictions

Each person may book a maximum of five different activities and a maximum of five tickets per activity. For families: A maximum of five different activities per family and a maximum of one ticket per family member and activity. A participant may take part in each activity at most once during the winter season. In the event of a violation of the participation restrictions, DDO is entitled to immediately exclude the person from all winter guest programme activities for an indefinite period.

Registration fee

A charge of CHF 5.00 or CHF 10.00 per person and activity is made for all activities. Please note: these are prices per participant and there is no discounted rate for children or senior citizens. The charges are

listed in the programme booklet and at davos.ch/guest-programmes or klosters.ch/guest-programmes.

Group bookings

The winter guest programme is an offer aimed at individual guests with a valid guard card and is not intended for groups. Please contact the respective organiser directly to book a (chargeable) experience outside of the guest programme for group bookings of 6 people or more.

Meeting points

Refer to the programme booklet for the exact meeting place for the activities. Please arrive on time and ready to go at the respective meeting point. Should you be delayed, the guide and the service provider will be unable to wait for registered participants.

Identification of participants

The Premium Card/Private Card (guest card) and the registration confirmation (voucher) for the activity must be shown to the guide at the start of the activity (physically or digitally) (for each individual registered/participating person).

Exclusion

The responsible guide and/or the service provider can exclude the person from the activity should a participant not fulfil the conditions of participation (e.g. valid lift pass, required clothing/equipment, minimum age, height etc.) It is at the discretion of the guide and/or the service provider whether to exclude a participant from the activity if the participant cannot be clearly identified at the start of the activity (see above "Identification of participant"). Participation in the activity under the influence of alcohol, drugs or other mind-altering substances, as well as the consumption of these substances before or during the activity, is strictly prohibited. In the event of an infringement, the fallible person will be immediately excluded from the said activity and will be excluded from all offers included in the winter guest programme for an indefinite period of time. If a participant does not turn up for the registered activity without having cancelled in advance, DDO will be entitled to exclude the person(s) with immediate effect from all offers by the winter guest programme for an indefinite period of time.

Cancellation/No-shows

Please bear in mind that your registration is binding. If you are prevented from attending, cancellation is mandatory no later than the closing date for registration for the activity (by phone on

+41 (0)81 415 21 21 or by e-mail to info@davos.ch or info@klosters.ch). This offers other guests the opportunity to register for the activity. The registration fee paid at the time of registration will not be reimbursed for timely cancellation, late cancellation or in the event of a "no-show". DDO will spend all income received from the winter guest programme for the aforementioned reasons (timely/late cancellation, no-shows) on climate protection projects.

Cancellation of individual activities

If an activity is not carried out for reasons exclusively attributable to the service provider or DDO, the registration fee will be credited for possible participation in another activity of the winter guest program in the same year. If the participant cannot or does not wish to take part in a «substitute activity», the registration fee will be refunded. The same procedure applies to activities that cannot be carried out due to force majeure (bad weather, natural disaster, epidemic, etc.).

Barrier-free activities

The winter guest programme also includes barrier-free activities. For more information please contact our Visitor Information Offices (by phone on +41 (0)81 415 21 21 or by e-mail to info@davos.ch or info@klosters.ch).

Images

The service providers and DDO reserve the right to use any footage taken by the guides of experiences within the winter guest programme for printed products, websites and image galleries. Participating people can be recognised on the image material (photos and/or videos). By registering for an activity, participants consent to the use of this image material without compensation.

Personal data

We are passionate about data protection and aim to fulfil all legal requirements with regard to your privacy. We record personal data during the registration process. This data is only used for when you register, unsubscribe or in connection with matters regarding the winter guest programme (e.g. quality survey). The data will not be used for marketing purposes nor passed to third parties.

Insurance/Liability

Participation in winter guest programme activities is at your own risk. Participants are responsible for arranging their own insurance. DDO and the service providers disclaim any and all liability for direct and indirect damages, which participants and/or

third parties experience from or in connection with winter guest programme activities. The individual business and liability provisions of the respective service provider apply to each and every activity.

Applicable law and place of jurisdiction

Swiss law will apply to all legal relationships in connection with the activities of the winter guest programme and between the participants and the service providers and DDO, without regard to conflict of law provisions. The exclusive place of jurisdiction is Davos.
