Switzerland's Panoramic Trains.

Dear friends of Switzerland,

We were delighted to have the **Swiss Travel System** and **Rhaetian Railways** as our partners for the Switzerland Tourism UK & Ireland Swisscast this time around. It was a pleasure to see so many of you once again.

For those who didn't make it, you can find the recording of the webinar as well as the slides [here](#).

Here is the link to the raffle where you can win a Lindt Chocolate Box.

Our next webinar will take place on the 16th November and will be about Zurich (more information will follow).

Travelling around Switzerland with the train is the perfect way to enjoy the country city by city and to take in the beautiful picturesque landscapes. Get your Swiss Travel Pass now and hop onto one of the famous panoramic trains such as the Bernina Express or the Glacier Express.

Now sit back, relax, scroll down and feast on the Swiss Travel System and Rhaetian Railways news below!

Do you want more information on Switzerland and our previous Swisscasts? Have a look at our Trade Corner [here](#).

Rhaetian Railways.

Albula line and the Landwasser viaduct.

Rhaetian Railway's famous landmark, the Landwasser viaduct is an architectural masterpiece. The 65-meter-high bridge disappears into a steep rock-face shortly before Filisur station. Discover this remarkable landmark up close; in summer the Landwasser Express takes passengers from Filisur station directly to the pillars of the Landwasser viaduct.
