E-Grand Tour: 1,000 miles electrified!

The world's first road trip for electric vehicles – starting in April 2017.

Two years after its inception, the Grand Tour of Switzerland has added another highlight for the beginning of the 2017 summer season: From the end of March 2017 onward, you will be able to discover the diversity of Switzerland with your electric car on the entire route thanks to an expanded network of charging stations. Easy, clean and convenient!
